AP Human Geography | AP Students | College Board

Since 1945 human geography has contained five main divisions. The first four|economic, social, cultural, and political|reflect both the main areas of contemporary life and the social science disciplines with which geographers interact (i.e., economics, sociology, anthropology, and political science and international relations, respectively); the fifth is historical geography.

MigrationBook: Exodus: How Migration is Changing our WorldBy Paul CollierPeriod 55/14/15. Migration is a sensitive topic. Most people have very strong opinions and will ignore any evidence supporting ideas other than their own. In Exodus: How Migration is Changing Our World by Paul Collier, migration is looked at from three different perspectives: the migrants; the host societies; and the people left behind in the country of origin.
