About Humble Consulting. Consulting in Complex and Changing Times. Organizations face challenges today that are too messy and complicated for consultants to simply play doctor: run a few tests, offer a neat diagnosis of the "problem," and recommend a solution. Edgar Schein argues that consultants have to jettison the old idea of professional distance and work with their clients in a more personal way, emphasizing authentic openness, curiosity, and humility.

Edgar Schein argues that consultants have to jettison the old idea of professional distance and work with their clients in a more personal way, emphasizing authentic openness, curiosity, and humility.

~~Humble Consulting: How to Provide Real Help Faster ...~~

"Humble Consulting pulls the curtain back on the pretense that the vast majority of consultants and consulting organizations put forward--that they have 'the answer.' I plan on keeping a copy in my office to hand out to consultants as they continue to show up and ask that I tell them what keeps me up at night and they respond with the solution ...
