The Vermont Fish and Wildlife Department is asking hunters for help in a statewide initiative to gather more biological data on the state's deer population.

Vermont Hunters Asked to Help Collect Deer Teeth

From the hunters' years on the river, they never expected it to freeze so early or quickly. There had been no ice when they left home.

Seven Pilot Station hunters return home after over a week stranded along the frozen Yukon River. Here's their story.

Our deer herd is healthy, according to Kelly Straka, the Minnesota DNR's new wildlife section manager. Keeping it that way is now her responsibility. Hunters are critical to it all.

Minnesota deer hunters go afield with optimism, and for good reason

The ice was so thick flowing down the river. It was forming so fast. It was freezing so fast. Just amazing. I'd never seen anything like that," one of the hunters, Rex Nick, said.

7 hunters return home after being stranded on the frozen Yukon River for 7 days. Here's their story.

After seven days, they left fish camp with just the clothes on their backs and what they could fit in their pockets: their phones and GPS.

Pilot Station hunters return home after a week stranded at fish camp. Here's their story.
