Excerpts - YouTube*

Eye-opening, deep & profound. Many students of visionary mystic Neville Goddard consider Resurrection his greatest book. First published in 1966, just six years before the master's death, Resurrection contains five powerful, practical works that describe how to use the imaging powers of your mind to remake reality.

Margaret Ruth Broome ...

Neville Goddard was one of the most extraordinary and ardently practical spiritual thinkers of the past century.

Writing and lecturing under the solitary name Neville, this modern mystic enthralled audiences with one simple, radical idea: the human imagination is God.

Immortal Man Audiobook / Neville Goddard, Margaret Ruth ...

The imaginative man does not deny the reality of the sensuous outer world of Becoming, but he knows that it is the inner world of continuous Imagination that is the force by which the sensuous outer world of Be-coming is brought to pass. He sees the outer world and all its happenings as projections of the inner world of Imagination.
