International Financial Management provides students with a foundation for analysis through a text that is well-organized, comprehensive, and provides up-to-date coverage of the topics. The text is written based on two tenets: emphasis on the basics and emphasis on a managerial perspective.

~~International Financial Management—
McGraw Hill Education~~

International Financial Management is written based on two distinct parts: emphasis on the basics and emphasis on a managerial perspective. As capital markets of the world become more integrated, a solid understanding of international finance has become essential for astute corporate decision making.
