Interpretation Techniques And Exercises Professional

James Nolan's useful, engaging text deftly describes the art of interpreting and provides brilliant exercises for its mastery. Conveying the hilarity of situations beyond the interpreter's control: speed demons, frankly stupid remarks; he also sensitively evokes those frustrating deep cultural references that no interpretation can satisfy.

In recent decades the explosive growth of globalization and regional integration has fuelled parallel growth in multilingual conferences. Although conference interpreting has come of age as a profession, interpreter training programs have had varied success, pointing to the need for an instructional manual which covers the subject comprehensively. This book seeks to fill that need by providing a structured syllabus and an overview of interpretation accompanied by exercises in various aspects ...

The contents of Interpretation: Techniques and Exercises, the fruit of decades of analysis and experience, provide a wealth of material for both students and teachers. Nolan's treatment of many other topics, including suggestions for coping with humor, numerals, Latinisms and notetaking techniques, should all prove extremely valuable for both students and teachers of interpretation.

Reviews: Interpretation: Techniques and Exercises ...

The exercises we suggest here may be used by an interpreter, a group of interpreters that work together or by a trainer that is leading a course in interpreting. Exercise 1: shadowing. The exercise of shadowing involves repeating what the speaker says, word for word, in the same language. Normally, the interpreter will be a word or two behind the speaker as one repeats what has been said.
