InView subtests are “scaled” separately, meaning that the scale scores for one subtest cannot be compared with the scale scores of another. Scale Scores are expected to increase with each grade level. National Stanines by Age (NSA) and Grade (NSG) are standard scores based on a scale of nine equal units that range from a high of 9 and a low of 1. Stanines are single digits that are not likely to be confused with percentages of test items answered correctly.
