Living With Invisible Pain Guilt,  
Embarrassment, Isolation. Bernhard explores  
how many people who live with invisible  
illnesses and pain experience... Judgment and  
Labels. It's difficult for healthy people to  
understand what it's like for someone who's  
sick, but appears... Outside Appearances. ...

~~Living With Invisible Pain — Sharecare~~  
Sciatic nerve pain is invisible and can't be  
seen, only felt. I had a neurologist say I  
had minor nerve damage, but the pain I  
experience says otherwise, so I see an  
orthopedic surgeon. I think there needs to be  
a new pain scale for sciatic nerve pain.

~~endometriosis — BBC News~~

In my opinion, invisible hurt can be far more serious than physical issues because it requires one to look past facades and dig deeper into one's inner core. I would encourage you to stop and consider the people you rub shoulders with every day. They may look perfectly fine on the outside, but are they secretly hurting on the inside?

~~Invisible Hurt | Simple Life~~

Invisible Pain. By. Jonathan Keyes - April 18, 2014. 68. 801. In my practice as a therapist I often work with people who have been seriously hurt by the practice of psychiatry, either directly or indirectly through family members. Many of them started taking psychiatric drugs for moderate depression, or for some anxiety, or for panic attacks.

It's a terrifying moment to admit you cannot find a reason for your pain. Because how do you treat invisible pain? I found the first answer to that last question was to accept that I didn't need a reason. Once I could accept that my sadness, or worry, or general anguish did not have to have a root cause I finally could move on to getting ...

The Invisible Pain explores Jonathan's memories of childhood, interspersed with home video footage of an apparently happy childhood from Inner City Manchester before the family moved to a nearby town. Here, the troubles within the family and with his adoptive father came to the fore during Jonathan's late childhood and his teens, eventually leading to major and chronic depression, and the diagnosis of personality disorders.
