Green is a colour now synonymous with St Patrick ' s Day, as people of Irish descent all over the world wear a piece of green clothing on March 17. But the wearing of green only became a tradition in the 19th century. Up until then, the colour most commonly associated with St Patrick was actually blue.

Facts about St Patrick and Ireland | Ireland.com

Interestingly, the first St Patrick ' s Day parade was not held in Ireland at all, but in Boston in the United States in 1737. This was followed by an " official " parade in New York in 1766. Ireland was a little further behind – our first parade was held in Waterford in 1903, while Dublin joined the club back in 1931.
