## Iso 9001 Internal Auditing Tips

Tips for ISO 9001 Internal Audit. Every external audit for ISO certification begins with an internal audit. ISO standards, such as ISO 9001, require an internal audit, usually every year. Now, since any audit is limited in time, you may only have 2 hours to audit each department. In some companies I was given only 1 hour, which included the introductions and the farewells, which effectively left me with around 40 minutes to do the audit.
