Scotland by Ben Johnson. The House of Stewart (or 'Stuart' as it later became) was established by Robert II of Scotland during the late 14th century and the Stuart rule spanned from 1371 to 1714. Initially rulers of Scotland only, the dynasty also went on to inherit the Kingdoms of England and Ireland. However, despite the longevity of the Stuart reign and Scotland's prosperity and modernisation during the beginning of the Renaissance, the monarchs of the House were not without their failings.

Scotland Despite early unrest and weak government caused by several Stewart kings succeeding as minors, the dynasty flourished for over three centuries. During this time, Scotland moved forward to become a modern and prosperous nation. Stewart monarchs such as King James IV and VI were Renaissance patrons of artistic, scientific, commercial, religious and political endeavour, sponsoring figures including the poet Robert Henryson and humanist George Buchanan.

Originally Stewart, was a royal house of Scotland, England, Ireland and later Great Britain. The family name itself comes from the office of High Steward of Scotland, which had been held by the family scion Walter fitz Alan (c. 1150). The name "Stewart" and variations had become established as a family name by the time of his grandson, Walter Stewart.

Robert III's eldest son was given the name JAMES - a name which would be carried through the family for nine generations. With his ascension as JAMES I, the dynasty flowered and produced a series of men 'of remarkable ability' and women 'of fascinating and commanding personalities' - in the words of an eminent historian.
