I don't know which manuals JDBrian has, but in case it doesn't include the Operator's Manual, I have it. It is titled "130, 160, 165, 175, 180, and 185 Lawn Tractors" OM-M72257, and is labeled "Dealer Service Shop Copy". Based on a similar manual I just scanned in, the PDF for this one should be about 8 or 9M. If you're interested, let me know.
