Welcome to Daly, WY. Discover the town where the men outnumber the women twenty to one and the guys live by the Daly Way, share and share alike—the women, that is. Arriving in Daly months ago, Moonbeam Szuzman kept a low profile and avoided romantic complications. The last thing she wants to do is jump into something without thinking, especially a relationship that involves a menage. When she's stranded after a work excursion, she's rescued by three cowboys. Under the stars, Moon's plans go awry and she discovers she likes the Daly Way. Years ago, Briar Rhodes' mother dragged her from her home in Daly. Briar hadn't understood her mother's sudden hatred of the idyllic town, but with no other choice, she'd found herself adrift in a city that could never be home. Now, Briar has inherited a ranch from the father she never knew. However, it's the foreman, Jax and his team, Ram, Cannon and Hawk who entrance her. Stunned by the almost immediate attraction, she finds sensual pleasure and sexual satisfaction at their hands—all their hands...and mouths...and bodies. Last year, Moon Szuzman had a life-changing encounter with three cowboys out on the range. It promised to become something forever, but when they returned to civilization, everything went crazy. A freak fire plunged the men into nonstop work yet eliminated Moon's job. Needing employment, she took another in LA, leaving her family, the men and Daly far behind. Now returning for vacation, she finds three determined cowboys ready to do anything to convince her stay. She agrees to a fling—and only a fling—unsure they'll want her once they learn her secrets. She soon finds herself roped by the team she left behind, and that team isn't willing to let her go without a fight.
