Knife by R.J. Anderson was published as Spell Hunter in the US and is the first book in the Faery Rebels series. I got the UK edition because I think it looks much better than the US one and the UK covers for all the books in the series match. The picture below doesn't do the cover justice because it's a lot nicer in person - the blue stands out against the black and the print is shiny.

does all she can to help her kind. knife is the perfect heroine for this fantastic debut. i recommend highly!

Knife (No Ordinary Fairy Tale Series Book 1) - ThriftBooks

Knife was my original title for the first book; but my former US publisher felt it set the wrong tone and wanted to emphasize the faery aspect of the series. So it ended up as Faery Rebels: Spell Hunter in the US instead. With the second book, the reverse happened.
