But leadership is in constant change, as successful leadership is a reflection of the world around it. Therefore, the leadership principles for the next-generation leaders might not be the same as the principles of today's leaders. In this guide, we'll outline the ten core principles the future leader should focus on. Principle 1.

Management. Before you can lead others, you must first manage yourself. Leadership is not so much a position you hold as it is a set of disciplines and behaviors you practice, the first and most fundamental of which is self-discipline. A leader without self-discipline is a disaster waiting to happen. 2.
