Synopsis. Leadership in Organizations focuses on effective leadership in organizations through both theory and practice. This book explains and critiques the major theories and studies that are most relevant and informative and reviews what we know about leadership effectiveness. This combination of theory

Bookmark File PDF

Yukl takes an objective stance on various leadership models. Research findings are critically compared to popular theories, and he is good at raising new ideas and concepts, pointing the direction towards future studies. All in all, it is a good overview of the entire leadership landscape. This said, some of the passages
