Lesley has now been painting professionally for 30 years. She has combined her love of animals with painting to produce in her career a continuing series of remarkable animal portraits. An affinity for the animals that she paints and a strong command of her medium allows her to capture the spirit of each animal and to convey to each viewer its individuality, grace and strength.

~~Harrison, Lesley ...~~

Clifton's spirit writing, while ostensibly fitting into a race- and gender-blind New Age tradition, should be read as an important contribution to Black feminist theories of embodiment. Clifton's spirit communications foreshadow contemporary global issues like climate change and the rise of the far right, and they position Black women at the vanguard of addressing these issues.
