Libidinal Economy is a 1974 book by the French philosopher Jean-Fran ç ois Lyotard. The work has been compared to the philosopher Gilles Deleuze and the psychoanalyst F é lix Guattari's Anti-Oedipus. Critics have argued that the work lacks a moral or political orientation. Lyotard subsequently abandoned its views and developed an interest in postmodernism.

According to Lyotard, every political economy is libidinal: that intensity has no equivalent in currency does not rid the circuits of capital of the force of libidinal investment. Intensive "exchanges" are ignorant of the constitutive negation of both political economy and natural theology since the libido invests unconditionally

the text and it is open to several competing modes of reading, interpretation and application. Ultimately, libidinal philosophy suggests a method of subversion from within existing structures through experimentation with the forms of those structures.

~~Lyotard, Jean-François | Internet Encyclopedia of Philosophy~~

Libidinal Economy is not an easy read, not least since it does not wish to set itself up as merely another philosophical theory hiding its own desires, with a truth easily representable to others (Libidinal, 244). While Freud largely discussed the libido at the individual level as a form of energy circulating within the body and necessitating societal laws that led to the formation of an internal superego keeping these energies in check, Lyotard greatly extends the idea of the libido to ...
