"È Auschwitz"~~ È morta la mafia? *Mafia, Ndrangheta e politica: anche i servizi segreti dietro al massacro dei carabinieri negli anni*

Per non togliere al lettore il gusto della scoperta, mi limito a anticipare che queste pagine cominciano con un omicidio di mafia e proseguono raccontando i tentativi di un'insegnante sveglia e appassionata di trarne spunto per risvegliare l'attenzione degli alunni sulla camorra e, più in generale, sulle organizzazioni criminali... Con tutte le difficoltà del caso, perché in certi territori la presenza mafiosa è così asfissiante da generare meccanismi di chiusura e di rimozione, oppure può capitare che un insegnante trovi nella sua classe ragazzini che appartengono a famiglie di mafia, abituati sin da piccoli a respirare un certo sistema di "valori" e a ritenere normale ciò che normale non è. Ancora una volta la chiave sta nel saper declinare la cosiddetta "educazione alla legalità" in una più ampia e profonda educazione alla responsabilità... E se è vero che una democrazia cresce solo attraverso coscienze inquiete e alla ricerca, questi insegnanti sono anche i primi contribuenti di un PIL importante quanto trascurato: quello che misura la dignità e la libertà di ciascuno di noi. don Luigi Ciotti

Celebrate the 40th Anniversary of The Empire Strikes Back, the fan-favorite Star Wars movie, with this deluxe special edition dedicated to the making of the iconic film. Inside its pages is an in-depth look at how George Lucas expanded the saga with new environments such as Hoth and Cloud City, and new characters like Lando Calrissian, Boba Fett, and Yoda. It also includes comments from the cast and crew involved in the making of the film, including Mark Hamill, Harrison Ford, and Carrie Fisher. See how scenes such as the Rebels battle against the AT-ATs were created and learn more about how Luke Skywalker's battle against Darth Vader was filmed in a must-have item for every Star Wars fans collection!

Winner of the Literacy Research Association's 2015 Edward B. Fry Book Award Immigration is an ongoing, global phenomenon and schools and teachers in host countries must continually find new ways of working with the increasing numbers of immigrant pupils, including refugees and asylum seekers. Language and literacy are crucial for inclusion in a new context but these must be developed in spaces where these children feel safe to explore themes that resonate with their experiences; to express their understanding and to engage in intercultural exchange. Visual Journeys Through Wordless Narratives presents the exploration of response strategies to Shaun Tan's The Arrival. The inquiry was carried out in educational settings, with children from many different parts of the world, in four host countries: the UK, Spain, Italy and the USA. The findings reveal the benefits of using wordless narratives such as picturebooks and graphic novels together with visual strategies to support immigrant children's literary understandings and visual literacy. They also reveal the wealth of experiences the children bring with them which have the potential to transform educational practices.

Logan is no stranger to death. He's killed thousands. He's watched teammates, friends and lovers die. Now, stripped of his healing factor, the X-Man and Avenger faces his own date with the reaper. There's a bounty on his head, a price big enough to put a horde of enemies and assassins on his trail. The race is on to find Wolverine, but who put out the contract? Sabretooth? Viper? Or someone even worse? When Logan discovers that his mystery foe wants him alive, he turns on the offensive. As the hunted becomes the hunter once more, he's determined to die the way he lived. The Wolverine will go out fighting. COLLECTING: Death of Wolverine 1-4

Judge Falcone, who led the war against the Mafia in Italy, was assassinated with his wife and three bodyguards in a car-bomb explosion in May 1992 - just as he was to be given powers to investigate the organization nationally. Written the previous year, this is his account of the Mafia.

Jan Karski, a young Polish diplomat turned cavalry officer, joined the Polish underground movement after escaping from a Soviet detention camp in 1939. He served as a courier for the underground, ferrying messages between occupied Poland and the exiled Polish leaders, before he was captured and brutally tortured by the Gestapo. Escaping from the Germans, Jan Karski was charged with the mission of his lifetime: to convey a message to the Allies about Hitler's program to exterminate the Jews of Europe. He visited Warsaw's Jewish Ghetto so that he could relate the truth about inhuman conditions first hand when he met, soon after, with leaders and top officials in London and President Roosevelt in Washington. He had the ears of the decision-makers, yet nothing was done to prevent the ultimate fate of millions of Jews. Published to immense acclaim in France, *The Messenger* is a compelling and tragic story. An extraordinary novelized biography about a man's moral courage and our collective humanity, with parallels to Thomas Keneally's *Schindler's Ark* and WG Sebald's *Austerlitz*.

It was a mistake for Ben to tell the Hunter that there were still wolves in Surrey. For the Hunter was a fanatic, always on the lookout for unusual prey. Driven by an ambition to wipe out the last English wolves, the Hunter set out on a savage quest. But what happens when the Hunter becomes the hunted?
