Novel for older children about the problems of a 13-year-old surfer, Lockie Leonard, who befriends a heavy metal fan, falls in love with an 11-year-old girl and tries to save his town from industrial pollution. As well as his award-winning adult novels, Tim Winton has written several novels for adolescents, including 'Lockie Leonard, Human Torpedo' (1990), which introduced the novel's protagonist.

Lockie Leonard, hot surf-rat, is in love. The human torpedo is barely settled into his new school, and already he's got a girl on his mind. And not just any girl: it has to be Vicki Streeton, the smartest, prettiest, richest girl in class. But what chance have you got when your dad's a cop, your mum's a frighteningly understanding parent, your brother wets the bed and the teachers take an instant dislike to you and then you fall in love at twelve-and-three-quarter years old? It can only mean trouble, worry, mega-embarrassment and some wild, wild times.

Lockie's survived his first year of high school, settling into a new town and his first mad love affair - it's all behind him; he made it! But the world of weirdness hasn't finished with him yet. His little brother's hormones have kicked in, his baby sister refuses to walk or talk - but eats anything in sight - his Dad arrests a sheep and his Mum seems to have checked out of the here and now. As Lockie's world turns upside down, he learns that life is never as simple as it seems and along the way finds out a lot more about himself than he ever realised was there.

The book behind the hard-hitting TV drama. This is Australia's underbelly ... bullet holes and all.

For fans of Joan of Arc and Alexander the Great, comes "a gripping saga of alliances, intrigues, deceits, and treacheries" about Anna Comnena of the Byzantine Empire. Anna Comnena has every reason to feel entitled. She's a princess, her father's firstborn and his chosen successor. Someday she expects to sit on the throne and rule the vast Byzantine Empire. So the birth of a baby brother doesn't perturb her. Nor do the "barbarians" from foreign lands, who think only a son should ascend to power. Anna is as dismissive of them as are her father and his most trusted adviser--his mother, a manipulative woman with whom Anna studies the art of diplomacy. Anna relishes her lessons, proving adept at checkmating opponents in swift moves of mental chess. But as she matures into a young woman, her arrogance and intelligence threaten her grandmother. Anna will be no one's puppet. Almost overnight, Anna sees her dreams of power wrenched from her and bestowed on her little brother. Bitter at the betrayal, Anna waits to avenge herself, and to seize what is rightfully hers. Praise for Anna of Byzantium: A Bulletin Blue Ribbon Book An ALA Quick Pick An ALA Best Book for Young Adults A Booklist Editor's Choice A Booklist Top Ten Historical Fiction Pick [STAR] "[Anna of Byzantium] involves readers in a gripping saga of alliances, intrigues, deceits, and treacheries worthy of a place among the tragic myths." — The Bulletin, Starred review "In the tradition of E. L. Konigsburg's A Proud Taste for Scarlet and Miniver and Karen Cushman's Catherine, Called Birdy comes this story of a real-life historical figure, Anna Comnena, groomed to be the sovereign of the Byzantine empire... Barrett uses an effective first-person narrative to draw readers into Anna's story, and the author's precise use of detail helps re-create Anna's world, the palace of Constantinople in the ninth century. . . Readers will be caught up in... this exciting read."—Booklist, Boxed review "A fascinating mix of history, mystery, and intrigue." -The Horn Book Magazine "Barrett does a remarkable job of painting moods and emotions with spare, elegant sentences. . . This splendid novel about a neglected period of history is the perfect choice. . . Hard to imagine it being any better written." —VOYA "This wonderfully engaging novel both entertains and serves as a lively history lesson with its well-researched background, dramatic plot and dimensional characters. Barrett's descriptive, engaging prose will draw readers into a fascinating historical time, filled with political intrigue and a complex, admirable teen protagonist who faces her changing future with an inspiring combination of heart and mind."— Wichita Eagle

In *The Fiction of Tim Winton*, Lyn McCredden explores the work of a major Australian author who bridges the literary – popular divide. Tim Winton has won the Miles Franklin Literary Award a record four times and has twice been shortlisted for the Man Booker Prize. His novels and short stories are widely studied in schools and universities, and have been lauded by critics both in Australia and internationally. Unusually for an Australian literary author, he is also one of the country's most enduringly popular writers: *Cloudstreet* was voted "Australia's favourite book" in a poll conducted by the ABC, his books regularly appear on bestseller lists, and his stories have been adapted for the stage, television, cinema and opera. In this wide-ranging study of Winton's work and career, McCredden considers how Winton has sustained a strong mainstream following while exploring complex themes and moving between genres. Attending to both secular and sacred frames of reference, she considers his treatment of class, gender, place, landscape and belonging, and shows how a compassion for human falling and redemption permeates his work. She demonstrates how his engagement with these recurring ideas has deepened and changed over time, and how he has moved between – and challenged – the categories of the "popular" and the "literary".
