Logicomix – Wikipedia

It's true. This is an epic search for truth. Logic alongside with mathematics is a powerful weapon to understand the universe but it means that also contains its chaos. Therefore the main characters are running into these unsolved puzzles. I liked the mix of philosophy, logic, mathematics, history and ancient Greek tragedy.

This book tries to tell the story about the search for truth in such a way that everyone can understand it, not only die-hard philosophers who read Russell or Wittgenstein before they go to sleep. This book is an excellent introduction into the search for logic and truth, but I hope it's not the end for anyone. There is so much more to discover!
