2nd Edition. This book provides a comprehensive description of the Long Term Evolution (LTE) radio access network, as specified by 3GPP. The content is aimed towards anyone wishing to learn the basics, or to develop a more thorough understanding. The content is presented in the form of bullet points to keep it concise and to allow rapid access to the key information.

### LTE in Bullets book

Just got this book - 2nd edition. The bullet format makes this a great reference book. It summarizes the LTE 3GPP specifications in bullet form but includes plenty of detail in bullets, tables and figures. Any more detail and you would be reading the spec!
