With cash burning holes in miners' back pockets, conditions are ripe for some ill-advised M&A. We look at five of the worst mining deals.

As M&A premiums soar, let's cast our eyes over some of history's s\*\*ttest mining deals. The U.S. wants to deepen its relationship with Taiwan, the self-ruled island that has become a major point of conflict in the strained U.S.-China relationship, and will work ...
