## Competency-based management - Wikipedia

Competency based management can be used throughout the entire performance management cycle. In planning, performance objectives (the “what”) are set, but the competencies (the “how”) are shaped by management with regards to the culture and the “how things are done around here” mindset. Only about half of employees in a Gallup study strongly agreed that they know what’s expected of them at work. In ongoing performance monitoring, coaching and continuous feedback, competencies ...
