People with the Di (Driver) personality type are typically assertive, capable of putting themselves forward boldly, and resistant to influence from others. Convincing others to work toward their goals, they may be seen as decisive, forceful, and persuasive.

DISC Personality Type: Di - The Driver

Problem solving skills are highly sought after by employers as many companies rely on their employees to identify and solve problems. A lot of the work in problem solving involves understanding what the underlying issues of the problem really are - not the symptoms. Dealing with a customer complaint may be seen
