It doesn't start out as an emotional train wreck, though, which is something I really appreciated. We get introduced to Rowan as a normal teenager. We see her living a normal life, with the angst and risk that come with teenage antics.

**Me Since You** by Laura Wiess – Goodreads  
ME SINCE YOU is an almost flawless account of grieving what once was, and learning to live with a new, unwanted normal. Laura Wiess's prose nearly dances off the page (or kindle screen) into the reader's mind. Some sentences are so deeply profound, I had to stop reading just to absorb them. The pace is fast, but not too fast paced.
