Resources are cards that are usually used to pay Structure costs, or let Mobs and Players use certain abilities. Other than that they usually have no use. They have no icon in the top-left corner. They're played on your Resource pile, besides the Environment. When using a Resource card's resource, per example to play an Structure, you must tap it by rotating it 90 degrees to the right. You ...

Step 1. Shuffle your deck. Your deck should have exactly 60 cards and it should be shuffled well. One-fourth to one-third of the cards in your deck should be energy cards for a well-balanced deck, but whatever suits you is fine. If you don't have 60 cards to play with and you're playing casually, ask your opponent if it's OK to play with less than 60 cards in a deck. Make sure you and your opponent ...Step 2. Determine who goes first. Flip a coin to see who starts. The first player cannot ...
