MINI HABITS by Stephen Guise | Core Message - YouTube

Mini Habits by Stephen Guise is most certainly a mega-helpful book. The concept of mini habits isn't brand new but was perhaps never presented in such a 'fool proof' way. Mr. Guise takes on many of the so called motivational books that have hyped people up just to let them back down when the emotion wore off. The ridiculous but nonetheless persistent myth that claims it takes 21 days to form a ...

Mini Habits: Smaller Habits, Bigger Results by Stephen Guise

A few months ago, I read Mini Habits; and everything Stephen said about willpower and motivation lined up with my own experience. He understood every dirty trick my brain had pulled to keep me from disrupting my lazy, comfortable, and deeply unhealthy equilibrium. I decided to build the Mini Habit of exercising for 5 minutes per day.
