more human designing a world where people come first will meet the expense of you more than people admire. It will lead to know more than the people staring at you. Even now, there are many sources to learning, reading a record yet becomes the first marginal as a great way. Why should be reading?

~~More Human Designing A World Where People Come First~~

The overarching idea of creating a "more human" world is appealing and ambitious. The author attempts to break the idea down into aspects of society such as education, space, nature. Overall, the book feels like a personal reflection journal, ie expect sections of ramblings and venting of the author's frustration towards politics, bureaucracy and society's apathy towards the issues he has raised.
