Napoleon: The Path to Power: Amazon.co.uk: Books

This book examines the extraordinary evolution of Napoleon's character and the means by which at the age of thirty he became head of the most powerful country in Europe: from his Corsican origins to his French education, from his melancholy youth to his involvement in Corsican political faction-fighting during the Revolution, and from his flirtation with the radicals of the French Revolution to his first military campaigns in Italy and Egypt - and the political-military coup that brought him ...
