Nissan Interface System For Ipod™ - Genuine Nissan Accessories Avoid operating your iPod in such a way that you can be distracted during vehicle operation. iPod charge through the Interface System may only be supported via use of FireWire FFD devices. iPod not included. Interface Harness B required without Sat Radio.Interface Harness C with Sat Radio; Interface harness I required w/all Altima.

Nissan Xterra Interface System For Ipod™ LOVE the truck. HATE the iPod interface it came with. Has anyone dealt with this problem? I'm using the factory installed black iPod cable that disappears into the "upper" glove box. When I cycle through the modes, I find the iPod playing through the XM Satellite mode (which is normal, according to the manual). So far, so good.
