As you can see, Pavel includes quite a few concepts and bits of information in this book. My Review. At first glance, it doesn't seem like the book has a lot to offer for the price. Power To The People is about 116 page of information, which is pretty skimpy for the \$20+ I paid for the book. After reading it from cover to cover, however, my first impressions went completely in to the trash.

Pavel Tsatsouline - Wikipedia

The Russian Bear protocol is a relatively popular hypertrophy routine designed by Pavel Tsatsouline. It requires you to perform only 2 exercises. In the original program, the movements of choice are the deadlift and the overhead press. The first major flaw of this routine is the high deadlift volume. I've heard of people doing deadlifts for 20 sets.
