The idea behind paying it forward is that whenever you benefit of a good deed, you let others participate by doing a (random) good deed, instead of repaying the benefactor. However, you don ' t necessarily have to wait until someone does you a good deed. You can also be the one who starts paying it forward, the one who sets it all in motion.

Pay It Forward (film) - Wikipedia
Paying it forward is a third-party beneficiary concept that involves doing something good for someone in response to a good deed done on your behalf or a gift you received. When you pay it forward, however, you don't repay the person who did something nice for you. Instead, you do something nice for someone else.
