~~World Civilizations: The Global Experience, Ap Edition ...~~  
Presents a truly global history. This global world history text emphasizes the major stages in societies' different interactions and assesses the development of major societies. Encompassing social, cultural, political and economic history, the authors examine key civilizations in world history. World Civilizations balances the discussion of independent developments in the world's major civilizations with comparative analysis of the results of global contact.

The Heritage of World Civilizations provides an accessible overview of Asian, African, Middle Eastern, European, and American civilizations with an emphasis on the role played by the world's great religious and philosophical traditions throughout history. Leading scholars in their respective fields, the authors empower students to view the events and processes that have shaped our increasingly interdependent world through a comparative, global lens.
