Peter and the Wolf is a story about not being afraid, about taming nature and conquering external threats. The dark shadow in the woods beyond the fence perfectly evokes the paranoia of the Stalinist Regime, which wanted Russian citizens to believe that they "live in paradise, but there ’s always an external enemy just beyond the fence, for which they must be on guard".

As the traditional first pope of the Roman Catholic Church, St. Peter has a long list of places, occupations, and causes under his patronage. He is the patron saint of popes and of Rome and of many cities that bear his name, such as St. Petersburg and Saint-Pierre. As a former fisherman, he is the patron saint of netmakers, shipbuilders, and fishermen, and, because he holds the “ keys of heaven, ” he is also the patron saint of locksmiths.
