Pitch Anything Summary Chapter 2: Frame Control Oren believes that as far as frame control is concerned, the less you say, the more effective you will be. "Only one frame will dominate after the exchange, and the other frames will be subordinate to the winner." A successful pitch depends on your ability to build strong frames.

Oren Klaff talks about the power dynamics of pitching – status, framing, neediness – and how to manage them effectively. Pitch Anything talks about stuff other books on pitch presentations neglect to mention. What do you do when a prospect tells you they have exactly an hour for your meeting, and then turns up fifteen minutes late?
