Pricing and Revenue Optimization: Second Edition | Robert ... Pricing and Revenue Optimization. Pricing and revenue optimization (PRO) techniques have been used successfully by companies to improve profitability and meet strategic goals for more than 20 years. Despite this success, some industries have yet to adopt PRO. Now, with the wealth of information provided by enterprise information and transaction systems, the rise of the internet and extended trading networks, and a new generation of PRO solutions, it is likely that PRO will become ubiquitous ...
