Anastasi and Urbina's Psychological Testing is arguably the worst-written book I have ever had the displeasure of reading. The book is rife with arcane jargon that the authors never bother to define. This is a

textbook, and, by definition, textbooks are supposed to explain their subject matter, not treat the reader as if he or she already knows it.

Psychological Testing, 7 Ed: Urbina Anastasi ...

Anne Anastasi (December 19, 1908 – May 4, 2001) was an American psychologist best known for her pioneering development of psychometrics. Her generative work, *Psychological Testing*, remains a classic text in which she drew attention to the individual being tested and therefore to the responsibilities of the testers. She called for them to go beyond test scores, to search the assessed individual ...
