Reading: Ethics Sociologists conduct studies to shed light on human behaviors. Knowledge is a powerful tool that can be used toward positive change. And while a sociologist's goal is often simply to uncover knowledge rather than to spur action, many people use sociological studies to help improve people's lives.

Reading: Ethics | Sociology

"Reading Ethics is a highly original and creative approach to introducing ethics which not only encourages beginners to understand and think about primary sources, but will also challenge, renew and enliven the interest of experienced philosophers and their interpretation of familiar arguments.
