explore the consciousness and culture of "subaltern" strata.

Subalternity, History and the Global | Cairn International ...

In postcolonial studies and in critical theory, the term subaltern designates and identifies the colonial populations who are socially, politically, and geographically excluded from the hierarchy of power of an imperial colony and from the metropolitan homeland of an empire. Antonio Gramsci coined the term subaltern to identify the cultural hegemony that excludes and displaces specific people ...

Subaltern (postcolonialism) - Wikipedia

Reading Subaltern Studies points to the contentious and lively politics of South Asian history. It is only by reading these critiques against the grain however, that one understands the collective's intellectual significance. Clearly, this is one reason why the necessity for a critical reader such as this exists.

Reading Subaltern Studies | Social History Portal

The Subaltern Studies Group or Subaltern Studies Collective is a group of South Asian scholars interested in the postcolonial and post-imperial societies. The term Subaltern Studies is sometimes also applied more broadly to others who share many of their views and they are often considered to be "exemplary of postcolonial studies" and as one of the most influential movements in the field. Their anti-essentialist approach is one of history from below, focused more on what happens among the masses
