~~15 Typical Life Problems And How To Solve Them. | by Tim ...~~

Though at first glance it seems that the world is filled up with real life problems of infinite types, some sense of this apparent sea of problems can be made by classifying them. Problem classification is in itself a problem solving technique. We may classify a problem on the basis of aspect of life in which it occurs.

~~Types of Real life problems | SureSolv~~
How to enhance your problem solving skills in real life 1. Focus on solution. Whatever is the problem and no matter how big or small it is, make your brain to focus on solution, don ' t think about the problem. Focusing on problems rather than solutions will move mind you mind in the negative direction.
