~~' Relic ' by Ted Hughes is a poem of modern literature that talks about the metaphorical relics of the sea. Relic means a person or thing that has survived in an earlier time but is now outmoded or dead. Hence, the " jawbone " in the first line of the poem is that relic that the poet centers his discussion in the poem.~~

Poetry is a way of rescuing the world from oblivion by the practice of attention. It is our attention that honors and gives value to living things, that gives them their proper name and particularity; that retrieves them from the obscurity of the general. Poems that galvanize my attention shake me awake.
