The Kettle is an 83.6-mile-long (134.5 km) tributary of the St. Croix River in eastern Minnesota in the United States. Via the St. Croix River, it is part of the watershed of the Mississippi River. The river's English name is due to the large number of large rounded holes (kettles) in the sandstone in and around the river, carved out by the swirling waters of the river.

The unusual title, The RIVER, the KETTLE, and the BIRD refers to an age-old Jewish saying that describes three successive levels of peace found in a happy marriage. Based on traditional Jewish sources, this distinctive volume enlists the profound wisdom and insight of traditional Judaism to come to the aid of contemporary married life. A sound structure cannot stand unless it rests on firm foundations, and the focus here is to examine the necessary foundations of a fulfilling relationship: the ...
