She operates on the other side of the law. Once she finds her brother-alive-she'll get out of the pack's territory and go back to her regular, normal, non-furry life of changing jobs and her name whenever her past closes in. The cool, logical Sheriff has finally met his match, but LeAnn's life is at stake if she won't claim her place in the pack, especially once his control over the pack is challenged and her brother's fate is questioned.

And now, five years later, her life is filled with purpose—until... Seduced by a stranger A man storms Charlotte's castle—and he is not the reprehensible Earl of Marne, the one who stole her dowry and dignity, but rather the absent lord's handsome, worldly cousin Dixon MacKinnon. And though she's determined not to play the fool again, Charlotte finds herself strangely thrilled by the scoundrel's amorous attentions. But a dangerous intrigue has drawn Dixon to Balfurin. And if his rise is prematurely revealed, a passionate, blossoming love affair could crumble into ruin.

Scott Sebastian is a liar. Fitting, since I'm a liar too. Yet there's no place for me in his glittering world of half-truths. With all our secrets in the open, I should stop trying. What I've learned should send me running far away. I can't keep pining for a man in love if I'm not the woman he's in love with. But it's not that easy to escape the Sebastians. I already knew they owned this city. Now I'll find out if they also own their son.
