At first glance, "Rocket Man" might not seem like a song worthy of very close critical attention. Catchy and fun, yes, groundbreaking and original... maybe not so much. "Space Oddity" by David Bowie, after all, had already had done the whole space opera thing (and done it quite well) nearly three years before Elton John's ditty came along in 1972.

At one point in the story, he warns his son, "Don't ever be a Rocket Man," because of the effect of his career on his family. The Rocket Man himself, though, seems more or less accepting of his fate. Taupin's lyrics capture this conflicted character—the line "I'm a rocket man" is both triumphant and defeated in tone.
