School: The Story of American Public Education (TV Mini ... In the 1950s, America's public schools teemed with the promise of a new postwar generation of students, over half of whom would graduate and go on to college. This program shows how impressive gains masked profound inequalities: seventeen states had segregated schools; 1 percent of all Ph.D.s went to women; and "separate but equal" was still the law of the land.

School: The Story of American Public Education: Mondale ... Marjory Stoneman Douglas High School, 2018: 17 killed The Florida massacre is one of the deadliest school shootings in US history. It was the 18th gun incident at a school in America when it happened in February 2018 and, according to monitor Gun Violence Archive, the 30th mass shooting in the country. President Donald Trump condemned the attack.

US school shootings: A deadly history | US News | Sky News The school story is a fiction genre centring on older pre-adolescent and adolescent school life, at its most popular in the first half of the twentieth century. While examples do exist in other countries, it is most commonly set in English boarding schools and mostly written in girls' and boys' subgenres, reflecting the single-sex education typical until the 1950s. It focuses largely on friendship, honour and loyalty between pupils. Plots involving sports events, bullies, secrets, rivalry and br

School story - Wikipedia The great North American school of magic was founded in the seventeenth century. It stands at the highest peak of Mount Greylock, where it is concealed from non-magic gaze by a variety of powerful enchantments, which sometimes manifest in a wreath of misty cloud.
