of information, including music, movies, and, of course, books. Regrettably, it can be quite daunting to find the book that you are looking for because the majority of websites do a poor job of organizing their content or their databases are very small.

www.holy-things.com

In the case of equity compensation, a company issues shares, receiving cash and tax benefits, increasing its total outstanding share count. The two kinds of transactions—buybacks and equity compensation—are complementary, but their connection is obscured by the asymmetries in the timing, approval processes, and securities and financial disclosures for each.
