Sepp Holzer's Permaculture: A Practical Guide to Small ...

Sepp Holzer's Permaculture is worth reading, but not owning. Despite the subtitle, most of Holzer's tips aren't really applicable to the small scale, unless by small scale you're comparing yourself to thousand acre factory farms.

Sepp Holzer's Permaculture: A Practical Guide to Small ...

Sepp Holzer farms steep mountainsides in Austria, 1,500 metres above sea level. His farm is an intricate network of terraces, raised beds, ponds, waterways

Sepp Holzer's Permaculture | Permaculture magazine
Holzer Permaculture is a solutions based approach that addresses these problems. Indigenous groups learned how to tend the landscape in a manner that provided for all of their needs while also improving the health and fertility of the Earth. This was the logical approach. To destroy the land which supports you is to destroy yourself.

Sepp Holzer's Permaculture: A Practical Guide for Farmers ...

This is an easy to read, thought provoking explanation of permaculture by a guru of permaculture. Sepp Holzer explains the practicalities of how he created a permaculture installation at 1000 metres plus in Austria and makes it easy to see how so many of these techniques can be used elsewhere. I am keen to read his other books.
