Zach Redford is sweet and handsome and Phe suspects he knows a lot more about her connection to Shadow Hills than he is willing to tell her. Shadow Hills is an intriguing blend of gothic horror novel, mystery and tender romance. Ms. Hopcus does an excellent job providing just enough information in each chapter to make the reader feel as if they are learning something and to keep the story progressing, but she also manages to hold some revelations back for the novel's dramatic ending.

I'm a YA author (and addict). My debut novel,
SHADOW HILLS, is out July 13th 2010 from Egmont! I
love going to see bands, singing in the tiny rooms at
Austin Karaoke, and making an idiot out of myself at
the Alamo Drafthouse sing-alongs.
