This wildly entertaining and educational tome is a journey through the history of British comics - from the birth of the 20th century to the 80s invasion of American comics by the likes of Brian Bolland, Dave Gibbons and Kevin O'Neil (to name but a few), right up to today's up-and-coming British art stars and the talents of tomorrow. Revealing the extraordinary history of the UK's prolific comic book industry from the 19th Century to the 21st, this ground breaking volume celebrates the ...
